STEREO F4 INTERPHONE MOTORCYCLE KIT

WIRELESS ENTERTAINMENT SYSTEM

interphone stereo F4

MOTORBIKE WIRELESS ENTERTAINMENT SYSTEM

Unique and incomparable, INTERPHONE F4 STEREO by Cellular Line® is a Bluetooth® speakerphone which lets you phone, communicate, navigate and listen to music in stereo even when you're on the road!

Interphone F4 Stereo by Cellular Line® is a latest-generation Bluetooth® speakerphone which lets you listen to MP3 files in hi-fi, and just a few months after its launch has already become a reference point in the biking world. Interphone F4 Stereo is comfortable, easy to use, and offers access to all the functions of the devices connected via Bluetooth® simply and immediately: speakerphone, driver-passenger or bike-bike intercom (up to 1,640 feet!) GPS navigation, stereo sound.
